## Apply for our Startup Welcome Package and experience the Stuttgart Region for three weeks.

The Startup Welcome Package comprises a one-week-online and two-week-on-site program and is designed to assist international startups in finding real customers and innovation partners in the Stuttgart Region in Germany. The fellowship covers flight, accommodation and coaching costs, enabling one person per startup to get first-hand insights into the business opportunities on the spot.

## It is designed for B2B or B2G startups that are:

- Located outside Germany
- Eager to expand or tap into the German market or want to create and scale innovation with our local industry partners
- Operating in one of the following areas:
  - Smart Industry & Logistics
  - Automotive & Transportation
  - GreenTech & Energy
  - Information Technology, Artificial Intelligence & Quantum Systems
  - Fintech & DLT
  - Smart Material & Design
  - Sustainable Building & Construction Engineering
  - Media & Communication Technology

## What participants can expect:

- Introduction to corporates
- Individual mentoring
- Expert insights
- Community & Workplace
- Cultural experience
