

Hi Tech!

BE PART OF THE
STUTTGART REGION
COMMUNITY.

Startups go & grow where their customers are - and where they feel **welcome**.

Perfect fit for ...

... B2B startups located outside Germany and operating in IndTech, Green Tech or AI

... startups eager to expand or tap into the German market and want to create or scale innovation with the local industry partners of the Stuttgart Region

... startups curious about the startup spirit and culture in Germany and especially the Stuttgart Region
